

2017

Contractor's Choice Award

2017 RDCA COMMERCIAL CONSTRUCTION AWARDS
RED DEER CONSTRUCTION ASSOCIATION

Award: Contractor's Choice Award

Overview

The RDCA in its commitment to our local industry introduced the Central Alberta Commercial Construction Awards in 2015. The intent of the awards are to acknowledge the outstanding contribution of our member companies within our industry.

This award – selected by the members of the RDCA General Contractor community - is presented to a Sub-contractor or supplier that they have worked with over the past year, that stands out in the areas of collaboration, quality of work, professionalism and is an industry leader in their area of work.

Sub-Trades and/or Supplier Selection

Please include your top 5 RDCA Sub-contractors and/or suppliers that you have worked with over the past year, and list them in priority (ie. #1 being the top rated). We will be comparing this listing with other General Contractors of the RDCA to select the Contractor's Choice Award of the year.
