

Member At Large Submission

The Red Deer Construction Association is always seeking industry support for our working committees. Each RDCA member firm is encouraged to have input into the initiatives of the association.

This is a volunteer position which does require personal commitment throughout the year.

Please remit this form with your preference for committee as per the terms of reference (Member at Large).

The committees typically meet quarterly or on an as need basis. Members at Large are required to attend all meetings and any committee meetings they become involved with. We would like to hear your ideas and thoughts at our monthly meetings and help us PROMOTE the industry!
