# 2020 RDCA Annual Golf Classic

The Annual RDCA Golf Classic was held a bit later than we were accustomed to due to COVID-19, but that didn't dampen the tradition. Being pushed to late September, we had just over 100 golfers and volunteers participate in this year's event. The weather was great and so was the camaraderie and competition. A huge thank you goes out to all the volunteers, participants, and sponsors for making the event another great success. Congratulations to all winners of the contests and raffles. There was over \$4,000 raised in donations, silent auction items and prizes that will be used to award our local apprentices with annual scholarships We look forward to seeing you all again next year!
