# RDCA Scholarship Program

---

2021

The RDCA's Scholarship Program was established in 2004 to provide support, recognition, and encouragement to our local apprentices to complete their training programs. We are proud to have successfully awarded over \$144,000 to member apprentices since its inception 17 years ago. With over 230 recipients since its inception, the program continues to grow and be recognized throughout industry as a resource for apprentices to support them in their careers.

This year we had 18 individuals being awarded scholarships to help towards their ongoing schooling. The scholarship committee of the RDCA awarded 1-\$1,000 awards, 6-\$750 awards and 10-\$500 awards. Out of these 17 winners this year, we had representation from 7 different trades (Refrigeration & Air Conditioning, Carpentry, Sheet metal, Plumbing & Gas Fitting, ISM/Drywall, Roofing and Automotive), with all attending one of the following schools/organizations: Red Deer Polytechnic, NAIT, SAIT or ARCA.

This program is funded through our many events, along with the generous donations from several of our member companies. We want to again take this opportunity to thank our members for their continued support, and their dedication in investing in our industry's future.

#### 2021 RDCA Scholarship Winners:
