RDCA SCHOLARSHIP PROGRAM

RED DEER CONSTRUCTION ASSOCIATION - SINCE 1957

2022 RDCA SCHOLARSHIP PROGRAM

The RDCA's Scholarship Program was established in 2004 to provide support, recognition, and encouragement to our local apprentices to complete their training programs. We are proud to have successfully awarded over \$153,000 to member apprentices since its inception 18 years ago. With over 243 recipients since its inception, the program continues to grow and be recognized throughout industry as a resource for apprentices to support them in their careers.

This year of the 15 individuals that applied, 13 are being awarded scholarships to help towards their ongoing schooling. The scholarship committee of the RDCA awarded 3-\$1,000 awards, 4-\$750 awards and 6-\$500 awards. Out of these 13 winners this year, we had representation from 6 different trades (Millwork, Carpentry, Sheet metal, Plumbing & Gas Fitting, Heavy Equipment Technician and Electrical), with all attending one of the following schools/organizations: Red Deer Polytechnic, NAIT, or SAIT.

This program is funded through our many events, along with the generous donations from several of our member companies. We want to again take this opportunity to thank our members for their continued support, and their dedication in investing in our industry's future.
